

turn into medical visits, and have standard medical office visit fees; if a patient wants a visit to discuss treatments for wrinkles only (e.g., botox or filler only), the consult fee is \$200. Cosmetic procedures that need extra time require a \$100 deposit.

Co-Pay, Self-Pay, and Cosmetic services are due at the time of service. Co-pay is always expected at date of service. There is a \$5 billing fee for all Co-Payments that must be billed after the date of service. For patients with high deductible plans, a \$50 payment will be collected on date of service towards the office visit. In some cases, we will ask for payment towards coinsurance or deductible prior to treatment. Our office will not bill "preventative" visits.

Patients are Partners in their care. Patients are responsible for scheduling follow-up skin checks and procedures, keeping follow-up appointments and rescheduling missed appointments, calling the office if they do not hear the results of biopsies, labs and other tests, informing their doctor if they decide not to follow the recommended treatment plan, etc.

Bills are due upon receipt. We are obligated to collect the full patient cost sharing including the co-pay, co-insurance, and deductible; it is our policy and practice to do so. Past due balances will be assessed a \$10 statement fee for each additional statement we must send. Any self-pay, out-of-network, or other courtesy adjustments will be rescinded if account becomes over 30 days past due. We may charge 18% interest or as allowed by law for any delinquent payment. We exhaust efforts to resolve balances prior to referral to a collection agency; however, additional fees of 50% of your charges or more may accrue from collections activity, and the patient and their family may be discharged from the practice. Returned checks will be assessed a \$25 fee.

Appointment Cancellation Fees. We make numerous efforts to remind you of appointments. Out of courtesy to other patients that need appointments, please notify us if you need to cancel at least one full business day prior. To encourage early notice, the following fees will apply for late cancellation or no-show: \$50 for a regular appointment and \$100 for medical procedure, surgery, or cosmetic procedures.
